| **Manufacturer Provided Description** The 245DC is built using proven SailTech construction techniques, a Kevlar reinforced deck and hull, a carbon fiber supported deck, wood-free construction, hand laid fiberglass and marine friendly stainless steel fittings and components. There is a place for everything with both cockpit and bow fish boxes, a live well, strategically placed rod holders and plenty of in-floor rod storage. Take the 245DC to the next level by choosing from a wide array of experience enhancing options such as an electric marine head, hard-top misting system, full galley with refrigerator, underwater lighting or a thru-hull windlass. Comfortable seating for 12, a spacious step down head, a retractable ski pole and an optional cockpit galley area makes the 245DC a fantastic family fun boat.
